

The background of the slide is a dark teal color. At the top, there is a 3D molecular model with blue and cyan spheres connected by rods. In the center, there is a semi-transparent, light-colored trapezoidal area containing a group photo of many people, presumably the workshop participants. Below the photo, the text "10<sup>th</sup> ABINIT International Developer Workshop" is written in a dark teal font.

# 10<sup>th</sup> ABINIT International Developer Workshop
